## **The Art Producing David Gibson Book Preview**

"The Art of Producing" lays out a specific process for producing a music project from start to finish. Throughout the book, the reader will acquire specific skills and techniques for producing a high-quality production, and explore the many values that must come together along the way. From working with virtual recording, virtual instruments, vocal techniques, and MIDI tracking to picking a recording studio, and everything in between, "The Art of Producing" offers well-grounded concepts that have been tested and proven through years of success. These concepts adapted to the personal style of the reader will result in a successful process that works for everyone involved.
