Shaken Faith Crises Affect Spiritual Book Preview

When your faith no longer works, and the catch phrases and Christianese that got you to where you are cannot take you past your current crisis, what do you do? Is doubt okay? Is it okay for Christians to struggle with what they believe? Is it okay to question God? This book takes an honest and in-depth look at faith crises experiences from interviews with sixty people, and five biblical narratives, addressing head-on the issues of doubt and times of questioning one's faith. Shaken Faith outlines a biblical perspective and a fresh way of viewing doubt, the questions Christians experience in their faith, and faith crisis moments. In order for faith to be real, it must be challenged and shaken, so that the depth of the faith can be

rooted in an unshakable God.
