## **The Southern Cottage Mountains Florida Book Preview**

The romantic elements that define the traditional southern cottage—a picturesque picket fence, a breezy sleeping porch, and well-worn heirloom furnishings—have made these small homes perennially stylish. *The Southern Cottage* showcases the best cozy dwellings in popular seasonal destinations—from the mountains in Virginia and North Carolina to Florida's Panhandle shores and the coast and islands of South Carolina, Georgia, Virginia, and Louisiana. A pristine Victorian lake house and a rustic mountaintop retreat express two moods of escape in the Blue Ridge Mountains. Summer beachside cottages include a colorful Key West home and a century-old family Florida retreat that captures informal old-

fashioned spirit. Examples of 19th- and early 20th-century cottages reveal ways in which these diminutive houses satisfy the need for privacy as well as communal living. With tantalizing photographs of shaded porches, stone paths lined with flowers, and wicker-filled rooms, this is an inspiration for those who want their getaway home to evoke the timeless charm of southern living.
