## The Other C Word In Words Book Preview

Can she overcome her consuming desire for him? Can he make her comfortable with the other C-word—commitment? Marley Mason is dreading the arrival of the new business consultant. After all, this man will most likely outsource her job to China. The last thing she would expect is a case of mistaken identity, leading to false accusations of kidnapping when she attempts to pick up the wrong man at the airport, or worse—that she would have such a visceral reaction to the right man. Rick Randy is super sexy, scandalously flirty, and perfect masturbation material, but a relationship is out of the question. Rick is contracted on a temporary basis to fix Marley's ailing company, and then pull out, although as he expresses to Marley, pulling out is difficult for him, in more ways than one! Marley's feelings range from utter confusion to intense contemplation as Rick

charms his way into her life. All of those C-words Marley can control, but it's the other C-word she fearsâ€”commitment.
