Modern Investment Management Equilibrium Approach Book Preview

Introduces the modern investment management techniques used by Goldman Sachs asset management to a broad range of institutional and sophisticated investors. Along with Fischer Black, Bob Litterman created the Black-Litterman asset allocation model, one of the most widely respected and used asset allocation models deployed by institutional investors. Litterman and his asset management group are often a driving force behind the asset allocation and investment decision-making of the

world's largest 100 pension funds.
