## **Blistered Kind Love Couples Barbara Book Preview**

WINNER OF THE 2003 BARBARA SAVAGE MILES FROM NOWHERE MEMORIAL AWARD

Theyâ€™re not sure which came firstâ€”falling in love with each other, or falling in love with the idea of hiking the Pacific Crest Trail (Mexico to the Canadian border). At the trailhead, they were warned that there would be tears, that each would have to find their own separate pace, and that at times the tent would seem awfully small for the two of them. They were told that their biggest obstacles to success would beâ€¦each other.

Their first surprise: freeze-dried meals do funny things to your GI tract.

Their first fight: when Angela noticed that Duffy's long legs propel him along the trail faster than she can muster. But on they pressed encountering snakes, bears, and fellow thru-hikers with trail names like Crazy Legs and Catch 23. They baked in the deserts of Southern California, gazed awestruck at the snowy, serrated peaks of the High Sierra, and attempted to hide from Northern Washington's seemingly incessant rain. 132 days later, they made it blisters and all.
