Detroit American Autopsy Charlie Leduff Book Preview

In the heart of America, a metropolis is quietly destroying itself. Detroit, once the richest city in the nation, is now its poorest. Once the vanguard of America's machine age—mass production, automobiles, and blue-collar jobs—Detroit is now America's capital for unemployment, illiteracy, foreclosure, and dropouts.

With the steel-eyed reportage that has become his trademark and the righteous indignation that only a native son can possess, journalist Charlie LeDuff sets out to uncover what has brought low this once-vibrant city, *his*

city. In doing so, he uncovers the deeply human drama of a city filled with some of the strongest—and strangest—people our country has to offer.
