10. If you are not satisfied with their service, you can cancel your subscription anytime, **unsubscribe without additional charges**.

## **French Aristocrat American West Shattered Book Preview**

In 1790, Pierre-Charles de Lassus de LuziÃres gathered his wife and children and fled Revolutionary France. His trek to America was prompted by his purchase of two thousand acres situated on the bank of the Ohio River from the Scioto Land Company—the institution that infamously swindled French buyers and sold them worthless titles to property. When de LuziÃres arrived and realized he had been defrauded, he chose, in a momentous decision, not to return home to France. Instead, he committed to a life in North America and began planning a move to the Mississippi River valley.

De LuziÃres dreamed of creating a vast commercial empire that would stretch across the frontier, extending the entire length of the Ohio River and also down the Mississippi from Ste. Genevieve to New Orleans. Though his grandiose goal was never realized, de LuziÃres energetically pursued other important initiatives. He founded the city of New Bourbon in what is now Missouri and recruited American settlers to move westward across the Mississippi River. The highlight of his career was being appointed Spanish commandant of the New Bourbon District, and his 1797 census of that community is an invaluable historical document. De LuziÃres was a significant political player during the final years of the Spanish regime in Louisiana, but likely his greatest contributions to American history are his extensive commentaries on the Mississippi frontier at the close of the colonial era.

*A French Aristocrat in the American West: The Shattered Dreams of De Lassus de LuziÃres* is both a narrative of this remarkable man's life and a compilation of his extensive writings. In Part I of the book, author Carl Ekberg offers a thorough account of de LuziÃres, from his life in Pre-Revolutionary France to his death in 1806 in his house in New Bourbon. Part II is a compilation, in translation, of de LuziÃres's most compelling correspondence. Until now very little of his writing has been published, despite the fact that his letters constitute one of the largest bodies of writing ever produced by a French ÃmigrÃ© in North America.

Though de LuziÃres's presence in early American history has been largely overlooked by scholars, the work left behind by this unlikely frontiersman merits closer inspection. *A French Aristocrat in the American West* brings the words and deeds of this fascinating man to the public for the first time.
