10. If you are not satisfied with their service, you can cancel your subscription anytime, **unsubscribe without additional charges**.

Remembering John Hanson Peter Michael

Book Preview

Winner of two 2013 national book awards in biography.

Remembering John Hanson re-illuminates the key Revolutionary War figure and Founding Father to whom George Washington reported when Hanson served as the first president of the original United States government chartered under the Articles of Confederation. This Hanson biography is the first in over seventy years, with the best documentation ever researched on him, spells out his two nation-saving triumphs which kept the nation whole on the eve of independence and again as it struggled to form a government, and made Hanson the unopposed choice by some of the greatest Americans who ever lived to be their and their nation's first

president.Â

*Remembering John Hanson*Â brings to light the astounding and tragic story of the destruction of Hanson's tomb in the 1980s and the author's rediscovery of its site in researching the book. Also covered are current efforts to rekindle the nation's memory of Hanson and to dispel odd Internet myths that have arisen about him in recent years.

Peter H. Michael is publisher ofÂ *Underground Railroad Free Press*, the nation's top-circulation Underground Railroad news publication, and publisher of Underground Railroad Free Press Books. Peter Michael's other recent books areÂ *An American Family of the Underground Railroad*, *Guide to Freedom: Rediscovering the Underground Railroad*, andÂ *Palace of Yawns*, a 365-day Southeast Asia journal at the tumultuous end of the Viet Nam War. Peter Michael was educated at the University of Maryland, Berkeley and Princeton and lives with his wife on his family's ancestral farm founded in 1768 near Adamstown, Maryland.

The first comprehensive biography of "the most forgotten major figure in American history," reading this volume is nothing if not enriching.

Michael's narrative presents . . . a torrent of information in fine detail . . . a rich trove about a major historical figure. / Kirkus Reviews

Some of the best information on Hanson I have ever seen. / Edward Edelen, Founder, The John Hanson Institute

This work represents the most comprehensive and - equally important - extensively documented exploration of the life and contributions of John Hanson. It provides the context and critical analysis to properly elevate Hanson to the pantheon of the fathers of our nation. / Aldan Weinberg, Professor of Journalism and Director of the Communications Arts Program, Hood College

You contribute greatly to our understanding of Hanson, his times, and why he became largely forgotten. *Remembering John Hanson* is also clearly and engagingly written, with excellent illustrations. / Ralph Levering, Hanson scholar and Professor of History, Davidson College

I have found your information to confirm my arguments why Hanson was the more significant first president of the United States. The story of John Hanson is much greater than previous authors have given credit to. / John

Cummings, John Hanson author
