Sleepless Midnight Mayhem Mayfair Book Book Preview

The ladies in London are abuzz over Mary Shelley's Frankenstein, especially Miss Sarah Moorehouse. Her imagination is fired up, so when she spies Matthew Devenport, Marquess Langston, mysteriously sneaking home in the wee hours clutching a shovel, she simply must investigate. Impelled by curiosity, the adventurous lass steals into his bedchamberâ€”only to be caught red-handed by the impossibly handsome and totally naked nobleman.

The Marquess Langston has more important things to worry about than a group of literature-loving ladies. But Matthew's grand plan to rescue the

family from ruin could be lost when he discovers Sarah hiding behind his bedroom curtain. What is this meddling woman up to? And why are his desires inflamed by a chit who is too inquisitive for her own good? Well, two can play at this game . . . and when Matthew captures the beguiling Sarah in all her naked glory, the night of mischief has only just begun.
