# After Hegemony Cooperation Political Princeton Book Preview

This book is a comprehensive study of cooperation among the advanced capitalist countries. Can cooperation persist without the dominance of a single power, such as the United States after World War II? To answer this pressing question, Robert Keohane analyzes the institutions, or "international regimes," through which cooperation has taken place in the world political economy and describes the evolution of these regimes as American hegemony has eroded. Refuting the idea that the decline of hegemony makes cooperation impossible, he views international regimes not as weak substitutes for world government but as devices for facilitating decentralized cooperation among egoistic actors. In the preface the author addresses the issue of cooperation after the end of the Soviet empire and with the renewed dominance of the United States, in security matters, as well as recent scholarship on cooperation.

## How To Read Online After Hegemony Cooperation Political Princeton Ebook

1. To read online **After Hegemony Cooperation Political Princeton Book** you need to [signup](#).
2. Your account will be **FREE 30 DAYS TRIAL** to download **After Hegemony Cooperation Political Princeton** or reading online the book.
3. In order to read online, fill the registration form such as email, name, address etc.
4. After registration successfully they will sent you email confirmation that you want to **read book ISBN 9780691122489**.
