# Black Fury 57 Wonder Horse Book Preview

Black Fury ----- known as the Wonder Horse - roamed the west, and his story was told in a terrific 1950's comic series. Over time Black Fury experienced adventure, saved lives, found and lost friends, and even raised a family. The comic reprints from Golden Age Reprints and UP History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available.
