Guitar Skills Music Therapists Educators Book Preview

This book and DVD are the ideal text to be used in functional guitar courses for music therapy and music education majors as well as anyone interested in learning the basics of guitar playing quickly. The text is designed to assist the student in developing their functional guitar skills in a fun and easy to follow format and can be used in both the classroom and for individual self study. The text and accompanying exercises begin with the very basics of guitar playing and expands into more challenging material as the reader progresses through the chapters. Topics covered include basic and advanced strumming patterns, fingerpicking, flatpicking, barre and power chords as well as authentic stylistic accompaniment in styles such as the Blues, Jazz, Rock and R & B.
