Structural Displays Josep M Garrofe Book Preview

"This book is a collection of simple, novel and out of the ordinary packs and displays. Some are as simple as a single diecut, while others have up to nine different structures. All are based on creativity. To improve the layout and make it easier to find the contents, the displays are arranged and classified into three levels of technical difficulty. Like its predecessor Packaging, the goal of Displays is to become a reference for design professionals."
