"My name is Rylee, and I am a Tracker."

When children go missing, and the Humans have no leads, I'm the one they call. I am their last hope in bringing home the lost ones. I salvage what they cannot.

Crossing into Ogre country is dangerous when you're a polite, respectful gal. Which means I already know I'm in for a wild ride, despite the back up I've brought along.

Even when things start to go sideways, and enemies close on us from every side, I still believe we have the upper hand.

How very blind can one person be when it comes to a salvage?

I'm about to find out.
