Totes ridic! Presh! Amazeballs! Adorbs! Obvs!

Whether you find words like these make you roll your eyes in recognition or wonder what the hell everyone is talking about (or both), *The Totes Ridictionary* will help you survive life in a world where text-message abbreviations and Twitter slang are dancing on the grave of the *Oxford New English Dictionary*.

Everywhere you look – in emails, tweets, Facebook posts, text messages, blogs and even real-life conversations – Totes Ridicheads are turning words into twee abbreviations, communicating in internet acronyms, and embracing hashtags as a way of life. And, like it or not, sooner or later you will need to become fluent in totes ridicularity.

Packed with hilarious illustrations and a satirical glossary that will help you sort the jell from the awks, correctly identify what's perf and what's tradge, and know how to react if someone describes you as gorge or cray-cray. *The Totes Ridictionary* takes a totally ridiculous look at what happens when language and technology collide.
